Dear MDI Customer,

**We are pleased to announce that certain assets of Mark Dunning Industries (MDI) locations in Alabama, Mississippi, and Florida, have been acquired by EcoWaste Solutions.**

Although you may see some small cosmetic changes, EcoWaste Solutions will continue to provide the same excellent service that you are accustomed to receiving. Within the next several weeks, a representative from EcoWaste Solutions will be reaching out to all Mark Dunning Industries, Inc. (MDI) customers to extend a warm welcome and answer any questions.

MDI will be billing all customers for the services that they have provided through March 31st. You will see your first billing from EcoWaste at the beginning of April. Please remit all payments to EcoWaste.

For your convenience we offer on-line bill pay through our payment portal in addition to accepting paper checks. Paper checks should be mailed to PO Box 91568 Mobile, AL 36691. If you are currently enrolled in autopay, that information will not transfer to us as your new service provider. If you would like to continue utilizing auto pay, a member of our team will be in touch with you soon to assist with setting that up.
